

# **Toaster Computer?**

## Essay 0

Your elderly neighbor has heard that you are taking a computer science course and would like to ask you a question that has been bothering them: Is their toaster a computer?

Write a paragraph explaining to them whether or not their toaster is a computer, (Assume that this neighbor has the same kind of toaster that you have at home – or the closest thing to a toaster that you have at home.) making sure to mention all four aspects of a computer covered in the video and explain how each does or does not apply to the toaster.

Remember to put your name on your work!
